When Louise Wilson completed a 27-year career in higher education, she moved to Washington, D.C., to begin a new chapter in her life. After a brief stay in the nation's capital, she moved to the U.S. Army Retirement Center, where she has spent most of her time since her retirement. During her time in the service, Louise was a member of the Women's Auxiliary.

"I never imagined that I would ever be here," Louise says. "There's no place like home."

CHANGE OF ADDRESS NOTICE

Dear Family & Friends,

Please be advised that I have a change of address. You know that I had been working on my new home, sending up my timber, packing up getting ready to move. I needed some finishing touches and the Chief Architect, Jesus Christ had to inspect it and give the final approval

On the eve of January 7th at 5:12 PM, he informed me that my mansion was complete and I could move in. He told me go ahead and change my address. "My New Home", oh what a sight to behold It is located on and exclusive estate behind a beautiful pearly gate. It is just on the other side of a serene celestial shore. Of course you know the streets are paved with gold and every day is Sunday, just like you've been told. Trees with twelve manner of fruit grace my garden and I can walk and talk with my master without a worry or care.

Previously, I lived at 1024 W. Pine Street, Apartment "B" in Upland, California. I've lived in several homes before, but my new home is far better than any other place I have ever lived. There is peace, joy and happiness here. There is no more pain or heartache, no more pills or doctors, no strife or discontent, only sweet serenity. I am able to dine at the master's beautiful table and listen to the melodious heavenly choir. Best of all, my Heavenly Father is here in all of His Glory! Oh yes, I have my own designer and tailor who has fitted me with my white robe and slippers.I could go on and on about my new home, but instead I'm praying that one day you'll get to move here also. I don't have a telephone, but you can always call on God. If you don't know the number, read your Bible, its listed on every page.

Always,

Deacon Paul Henry Crutchfield.
